# WORLD MUSIC DAY

THE MUSIC EVERYWHERE AND THE CONCERT NOWHERE.

© Poster from fete de la musique website

## WHY IS WORLD MUSIC DAY CELEBRATED?

The Fête de la Musique or World Music Day, is an annual music celebration that takes place on 21 June. On Music Day, citizens and residents are urged to play music outside in their neighborhoods or in public spaces and parks. Free concerts are also organized, where musicians play for fun and not for payment.

In October 1981, Maurice Fleuret became Director of Music and Dance at the French Ministry of Culture at Jack Lang's request. He applied his reflections to the musical practice and its evolution: "the music everywhere and the concert nowhere". When he discovered, in a 1982 study on the cultural habits of the French, that five million people, one young person out of two, played a musical instrument, he began to dream of a way to bring people out on the streets. It first took place in 1982 in Paris as the Fête de la Musique.

Ever since, the festival has become an international phenomenon, celebrated on the same day in more than 700 cities in 120 countries, including India, Germany, Italy, Greece, Russia, Australia, Peru, Brazil, Ecuador, Mexico, Canada, the United States, the UK, and Japan.

The goal of Fête de la Musique, or Make Music Day, is to provide thousands of free concerts throughout the day. Public areas are brimming with live music and participatory music making opportunities.

# WORLD MUSIC DAY 2022 @GZH!

GOETHE-ZENTRUM  
KOOPERATIONSPARTNER

For almost 15 years, Goethe-Zentrum has been celebrating World Music Day in the twin cities of Hyderabad and Secunderabad by organizing and coordinating concerts on a convenient day close to the 21st of June to encourage greater interaction and participation with music.

To Goethe-Zentrum, Hyderabad, (WMD) World Music Day is a very important day to celebrate in the annual calendar of the city because music brings people, partners and music lovers together.

Music spans genres, generations, cultures and borders - for the city and for the world at large.

This year, as it has every year for the last 15 years, Goethe-Zentrum will celebrate WMD with a variety of music for a week from **June 21st to June 26th 2022**.

We have **100 musicians** busking at around **5 to 7 metro stations** from June 21st to June 25th 2022. We end the week long celebration on **June 26th with an all evening concert at Premia Mall**.

The music will range from **Indian classical to pop music**, from music that will soothe ones senses to music that will raise ones spirits.

So, lets get together and listen to some good music on World Music Day as Hyderabad celebrates, rejoices and unites in our differences through music.
